

# BESTBUDDIES Jobs

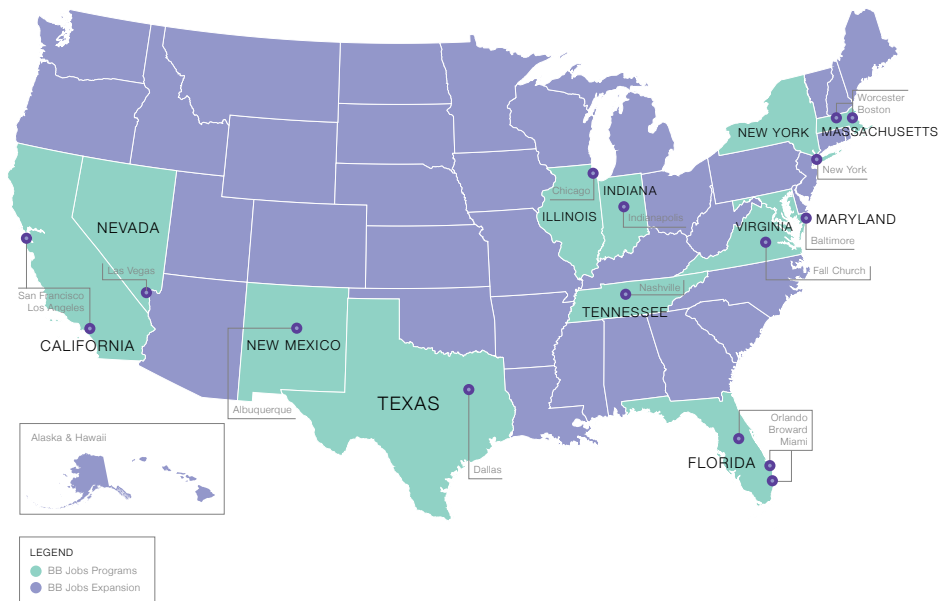

## How It Works

Participation in the Best Buddies Jobs program is a mutually beneficial experience for both the employer and job seeker. Best Buddies Jobs works with companies to assess their employment needs and then identifies a competent, productive and loyal employee to fulfill those needs - while providing ongoing services and support throughout the duration of employment. Best Buddies Jobs participants are hired directly by the company.

## Business Benefits

- Cost-effective solution to address business needs
- Improves customer satisfaction results
- Reduces the recruitment and training costs associated with routinely filling high turnover positions
- Lower absenteeism and sick leave than other employees
- Promotes a more diverse and inclusive workplace and enhances employee morale
- Fosters a culture of corporate responsibility
- Federal tax incentives available

Jobs programs in the U.S.

*\*Best Buddies services are provided at no cost to your company.*

## A few Best Buddies Employer Partners:

“It’s a lot easier than you think it’s going to be.”

- Robert Friedman, partner, Holland & Knight LLP
