e-Buddies ®

Provides a safe place online to develop one-to-one friendships between people with and without IDD. e-Buddies provides individuals an opportunity to develop new friendships while acquiring much needed computer skills. e-Buddies is an unique opportunity to change a life and make a friend. The benefits of that are immeasurable. We would like you to join e-Buddies!

If you are interested in learning more information please sign this form and Liz Wolford, Deputy Director e-Buddies, will e-mail you with more information!
