

e-BUDDIES®

e-Buddies promotes online social inclusion for people with intellectual and developmental disabilities (IDD).

e-BUDDIES®

- ❖ Join e-Buddies and expand your network of friends by being matched in an online friendship. Participants are matched based on:
 - similar ages
 - common interests
 - different geographic areas (we do not match people who live in the same area)
- ❖ Improve written communication and technology skills while exchanging e-mails and developing a friendship with your e-Buddy.
- ❖ Become further engaged in the mission of Best Buddies by joining e-Buddies. You can be involved in e-Buddies while participating in another Best Buddies program.
