BEST BUDDIES®

Best Buddies is the world's largest organization dedicated to ending the social, physical, and economic isolation of the 200 million people with intellectual and developmental disabilities (IDD). Our programs empower the special abilities of people with IDD by helping them form meaningful friendships with their peers, secure successful jobs, live independently, improve public speaking, self-advocacy, and communication skills, and feel valued by society.

The IDD community that Best Buddies serves includes, but is not limited to, people with Down syndrome, autism, Fragile X, Williams syndrome, cerebral palsy, traumatic brain injury, and other undiagnosed disabilities.
