Dear Best Buddies family,

In the face of significant challenges worldwide throughout 2022, Best Buddies events and programmatic activities returned stronger than ever nationwide and globally. As the year concluded, we became even more certain of the critical and transformative role that Best Buddies programs play in fostering connections and building a more inclusive world for individuals with intellectual and developmental disabilities (IDD).

Reflecting on the past year, I am incredibly proud of what we have accomplished together through the power of one-to-one friendships, meaningful jobs, leadership training, and inclusive living opportunities. With your unwavering support, Best Buddies reached thousands of participants with IDD, equipping them with the resources to feel included, confident, and optimistic about the future.

As we contemplate the global reach of Best Buddies’ mission and the lives impacted, I extend my deep gratitude to each of you who has supported this organization, making our mission a reality. Thank you for contributing to a better world for individuals with IDD.

Your continued support will be vital as we strive to propel our mission forward, recognizing that there is still much work to be done. Together, we will rise to the occasion to change lives through the transformative power of inclusion.

In Friendship,

Anthony K. Shriver,
Founder, Chairman & CEO, Best Buddies International
Why We Matter

Society has made undeniable progress in improving the lives of individuals with intellectual and developmental disabilities (IDD). Yet, we still have a long way to go. Many people with IDD remain unemployed and do not experience the simple joys of genuine friendships and a significant portion of the IDD community still faces access barriers, pervasive social isolation and discrimination.

This is where Best Buddies International plays a vital role as a model of inclusion and catalyst for change. Best Buddies is the world’s largest organization committed to ending the social, physical and economic isolation that 200 million individuals with IDD often experience. For those within the IDD community, Best Buddies represents a pathway to forging lifelong friendships, securing gainful employment, achieving independent living and gaining the skills and confidence to advocate for themselves.

An estimated 81%* of adults (18+) with IDD do not have a paid job in the community. This is where the Best Buddies’ Jobs program steps in. The Best Buddies’ Jobs program helps participants with IDD prepare for and secure supportive employment. This is a mutually beneficial venture for job candidates with IDD, businesses offering employment and society as a whole: not only do participants have the potential to garner substantial benefits and earn a cumulative income exceeding $900,000 over a 30-year period, but these individuals can also contribute up to $153,000 in tax revenue and diminish the need for nearly $895,000 in federal SSI and Medicaid benefits during the same span.

This is just one of the countless ways Best Buddies improves the lives of individuals with IDD while simultaneously improving whole-of-society outcomes. Through the cultivation of meaningful one-on-one friendships, the pursuit of integrated employment, the provision of inclusive living arrangements and the nurturing of leadership skills, Best Buddies is fostering a world that is full of opportunity for individuals with IDD.

Together, we can build a world where everyone belongs.
Carey Larkin is a passionate advocate for individuals with intellectual and developmental disabilities (IDD), like her son, Asher. She became involved in Best Buddies after attending a Best Buddies event in California and returned to Tulsa, Oklahoma, determined to bring Best Buddies to her home state.

And she did just that.

In 2022, Asher was named the national Best Buddies Champion of the Year, raising over $123,000 through his campaign with his mission partner and stepsister, Alyssa Larkin.

“When I chose the name Asher, I did so because the name means ‘happy and blessed,’” Carey said. “It brings me so much joy to say that it perfectly describes Asher in who he is. In all my worries with his diagnosis, I have learned that Asher is the most well-adjusted, independent person. He can do anything he sets his mind to. To see Asher thriving as an advocate for individuals with intellectual and developmental disabilities and knowing him the way that I do, I would not expect anything less.”

“The greatest gift people with IDD possess is their incredible ability to teach us a better way to see the world…Supporting Best Buddies is a rewarding experience, no matter your role with the organization.” - Carey Larkin

“Best Buddies is all about friendship and helping people; I want to be a part of that. Everyone deserves to feel included and have friends. Being a Champion is an awesome opportunity to spread the word about Best Buddies. The more people know about Best Buddies, the better our world will be!” – Asher Ward

Best Buddies has been an integral part of my life for many years. I have done it since high school and it has given me friends and many opportunities to grow that I wouldn’t have gotten anywhere else. Catherine and I have actually been friends since the 5th grade but Best Buddies gave us something that we could still do together when our schedules started to change in high school. Catherine is my best friend and I hope we stay friends forever. My life is better with her in it.” - Allison

We are BEST BUDDIES®

Best Buddies International is the world’s largest organization dedicated to ending the social, physical and economic isolation of the 200 million people with intellectual and developmental disabilities (IDD). Our programs empower the special abilities of people with IDD by helping them form meaningful friendships with their peers, secure successful jobs, live independently, improve public speaking, self-advocacy and communication skills, and feel valued by society.

Mission

Best Buddies International is a nonprofit 501(c)(3) organization dedicated to establishing a global volunteer movement that creates opportunities for one-to-one friendships, integrated employment, leadership development and inclusive living for people with intellectual and developmental disabilities.

Vision

To put Best Buddies out of business. Best Buddies envisions a world where people with IDD are so successfully integrated into schools, workplaces and communities that its current efforts and services will be unnecessary. Until that vision becomes a reality, the organization will continue to educate middle school, high school and college students, community members, corporations and employers about the emotional, functional, and natural needs and abilities of people with IDD.

Who We Serve

The IDD community that Best Buddies serves includes, but is not limited to, people with Down syndrome, autism, fragile X syndrome, Williams syndrome, cerebral palsy, traumatic brain injury and other undiagnosed disabilities.

Programs

Best Buddies programs sit on the four key mission pillars below: One-to-One Friendships, Integrated Employment, Leadership Development and Inclusive Living.
One-To-One Friendships
Builds friendships between people with and without IDD, offering social mentoring while improving the quality of life and level of inclusion for a population that is often isolated and excluded.

**BEST BUDDIES, Middle Schools, High Schools, Colleges, and Citizens**
Creates an inclusive community for students and adults with IDD, helping them become socially integrated with their peers at every age.

**e-BUDDIES.**
Provides opportunities for participants with and without IDD to develop one-to-one friendships online and create connections using the power of technology.

Integrated Employment
Secures jobs for people with IDD, allowing them to earn an income, pay taxes, and continuously and independently support themselves.

**BEST BUDDIES, Jobs**
Matches skilled, qualified individuals with IDD with businesses seeking enthusiastic and dedicated employees. Through the Jobs program, Best Buddies develops partnerships with employers, assists with the hiring process and provides ongoing support to the employee and employer.

**BEST BUDDIES, Jobs**
Matches skilled, qualified individuals with IDD with businesses seeking enthusiastic and dedicated employees. Through the Jobs program, Best Buddies develops partnerships with employers, assists with the hiring process and provides ongoing support to the employee and employer.

Leadership Development
Educates and empowers people with and without IDD to become leaders, public speakers and advocates.

**BEST BUDDIES, Ambassadors**
Offers people with and without IDD the opportunity to gain the public speaking skills, self-esteem and confidence needed to successfully advocate for themselves, their peers and Best Buddies in communities and workplaces.

**BEST BUDDIES, Promoters**
Empowers youth to become advocates for people with IDD and help open new Best Buddies chapters and programs by organizing special events that promote awareness to the disability rights movement.

Inclusive Living
Provides an integrated experience in which people with and without IDD are active, contributing citizens – living independently in a dynamic environment where they can learn, grow, and thrive.

**BEST BUDDIES, Living**
Provides individuals with and without IDD an opportunity to live together in a vibrant, educational community that supports all residents in advancing their employment, financial literacy, continued education, and life skills as they work to achieve their personal goals.
Best Buddies offers students with IDD the opportunity to have a friend and enjoy common interests, experiences, and social activities in the Middle School, High School, and College programs. Each friendship pair commits to speaking and spending time together every week throughout the year. These programs create lasting friendships and help facilitate an environment of inclusion throughout the school and in the community.

BEST BUDDIES, Citizens

For people with IDD, the absence of meaningful friendships extends into adulthood. Best Buddies Citizens pairs adults with IDD in one-to-one friendships with adults without IDD in corporate and civic communities. Citizen buddy pairs commit to a one-year friendship in which they will talk once a week and see each other twice a month. These relationships commonly grow into friendships that last a lifetime.

e-BUDDIES

This program creates social inclusion and friendships for people with and without intellectual and developmental disabilities (IDD) in a virtual space. Technology is an integral part of society and by participating in e-Buddies, participants can develop the skills needed to communicate across a variety of platforms.

In 2022, e-buddies served 4,102 total participants. These participants exchanged more than 50,000 emails. e-Buddies was also used as a teaching tool in the classroom by more than 100 special education teachers and other professionals across the country.
Ryan was introduced to Best Buddies as a freshman in high school. Throughout high school, he developed a deep appreciation for the Best Buddies mission and what it can do for individuals with and without IDD.

"I could not have known how much I would learn from students with IDD," Ryan said. "They have made me more outgoing, and I now not only look after myself but after the new friendships I have made as well."

One of the most meaningful catalysts in Ryan’s transformation was his buddy, Timothy. Two years ago, Ryan was matched in a one-to-one friendship with Timothy. They instantly hit it off and became significant parts of each other’s lives.

"I love hanging out with my buddy, Ryan," said Timothy. "We go bowling and play basketball together...he is just an all-around awesome guy."

"I love Timothy’s energy," Ryan said. "He is the kindest soul I’ve ever met and shows love towards everyone he meets."

Their genuine connection has not gone unnoticed.

"In all my years of doing this, I have never seen a friendship like Ryan and Timothy’s," their chapter advisor said. "Ryan will come to my room every day to hang out with Timothy for lunch, and he consistently makes an effort in their friendship."

Ryan and Timothy’s meaningful friendship has inspired a culture of inclusion at their school. Ryan is now the chapter president and has had an active role in growing their presence on campus. Ryan and Timothy demonstrate that so much can be learned from individuals of all abilities when we have integrated classrooms, peer groups, and communities.
Best Buddies Jobs furthers the integration of people with IDD into the community through supported employment. The focus is on facilitating competitive, integrated job placements that allow participants to earn an income, pay taxes and work in an environment alongside their peers in the community, leading to full inclusion and independence. Coaching is provided in essential job interviewing skills, and once employment is secured, there is assistance with on-the-job training.

The Jobs program prides itself on developing employment opportunities in professional environments and focuses on white-collar jobs such as receptionist, mail room assistant, file clerk, office assistant, front desk assistant, and retail associate. Employers range from some of the top law firms and talent agencies to well-known retail businesses and luxury hotels.

There is 34 cities in 18 states with active Best Buddies Jobs program as of December 31, 2022.
Elaina
Integrated Employment
kubik, Odenton, MD

Elaina had long been searching for meaningful and inclusive employment in a role that would allow her to use her friendly personality and organizational skills. She landed an interview with kubik, an event management agency.

Upon entering the interview, it became immediately apparent that this would be an excellent place for her to work: kubik was passionate about Best Buddies’ mission and was excited to hire inclusively.

Elaina aced the interview and was hired as a receptionist in May 2022. She began working part-time and instantly identified her first goal: full-time employment.

Within a month, Elaina achieved that goal.

Elaina’s new full-time salary is over $66,000 per year, and she has also earned vacation and retirement benefits.

Elaina’s coworkers have been wowed by her work ethic and seamless fit into the company culture. Elaina welcomes everyone into the office, assists with paperwork for many staff, orders office supplies, monitors shipping, and creates and files documents.

Elaina now has a new goal: to transform this opportunity from a job into a career.

“The office is a very comfortable environment,” Elaina said, “Plus, the office is dog-friendly, and I love dogs.”

Elaina continually seeks to improve her skills, a goal that kubik is helping her achieve by slowly expanding her responsibilities.

The culture that kubik has created for individuals with IDD, in no small part due to Elaina’s success, has created the exact workplace culture that the Jobs program is built to develop. This change in workplace culture, spearheaded by employing Elaina, has brought about kubik’s desire to employ more individuals with an IDD.

Best Buddies educates and empowers people with and without IDD to become leaders, public speakers and change agents. Through the Ambassadors and Promoters programs, participants inspire their communities to build a more inclusive world for people with IDD.

**BESTBUDDIES. Ambassadors**

Best Buddies Ambassadors is a program that provides training for participants with and without IDD in speech writing, public speaking, and self-advocacy. Ambassadors develop the skills to share their life stories, promote Best Buddies programs, network, and, most importantly, advocate.

Ambassadors participate in trainings focused on the art of public speaking and advocacy. Once trained, they share their stories and become more involved and empowered as citizens. Ambassadors are encouraged to speak about opportunities for people with IDD, present at recruitment fairs and Best Buddies events, and develop partnerships in the community.

**BESTBUDDIES. Promoters**

Best Buddies Promoters empowers youth to become advocates for people with IDD by organizing and attending special events that promote inclusion. Students attending a school without a special education program can join a Promoters chapter to develop connections with people with IDD or can start one by contacting their local Best Buddies state office.

Each Promoters chapter is led by a chapter president from the student body and a faculty advisor and is assigned a Best Buddies staff person who offers regular support and guidance. Once formed, Promoters chapters host events, activities, and fundraisers where they advocate for people with IDD, and promote the Best Buddies mission.
“Hello everyone! My name is Hunter Huff, and I’ve been a proud member of Best Buddies for nine years. My life before joining this organization was very challenging. It was hard for me to make friends. I had issues socially connecting, and I only interacted with people at lunch, school events, birthday parties, and other social gatherings. One big reason I didn’t have a lot of friends is that not everyone understood who I was and that I was just a normal human being who just happened to be on the Autism spectrum.

During my sophomore year in high school, I attended a match party for Best Buddies, and I met my best buddy, Stefany. I also got to meet so many new people in that chapter as well. That same year, I danced all night at my first-ever Friendship Ball and enjoyed participating in the Friendship Walk. My buddy and I were able to develop a true friendship.

Since joining this organization, my life has changed immensely. I attend the Champion of the Year Gala, activities in the Citizens program, and volunteer for Best Buddies events such as the Best Buddies Friendship Ball. I also serve on the Best Buddies Friendship Walk Committee, speak at events and other presentations, and today, I am an official Best Buddies Global Ambassador. I enjoy helping others learn about our incredible mission and working to ensure that people like me are included in the community. It has opened so many doors for me and allowed me to have a social life.

Best Buddies creates opportunities for people with intellectual and developmental disabilities to live out their dreams and goals. Most of all, it changes attitudes by making sure people see me for my abilities and understand the importance of inclusion.

No doubt, Best Buddies has made an impact on my life. It has empowered me to be a better friend and has encouraged me to inspire others like me to be part of this global movement. Never be afraid to make a name for yourself, to stand up for what is right, to be a light, to use your voice, achieve your goals through hard work and positivity, and most importantly, know that you are loved, valued, and accepted. ” - Hunter

The Best Buddies Living program encourages people with and without IDD to live together in a vibrant community that focuses on supporting residents in accomplishing their life goals and dreams.

The Best Buddies Living program supports inclusion by:

- Developing programs that foster an opportunity for residents to experience living with friends and colleagues. Programs include weekly shared meals, fitness classes, cultural events, holiday parties, social activities, and sports.

- Offering an environment that encourages the development of independent living skills, life-changing relationships, and educational pursuits in connection with a college or university. Through an affiliation with a nearby school, all residents can immerse themselves in campus life, attending sporting events and enjoying fitness and dining facilities alongside their student peers.

- Matching people with and without IDD in a residential experience, and providing a supportive environment that encourages full-time or part-time employment.

As of December 31, 2022, Best Buddies operated four Living residences; two in Washington, D.C. (Georgetown and Union Market), one in Miami, FL and one in Los Angeles, CA.
AnnCatherine
Best Buddies Living Resident
Georgetown, Washington D.C.

Anne Catherine, also known as AC by her friends, joined the Best Buddies Living program in Georgetown in September 2022—a decision that would shape her future in ways she never imagined.

AC’s story serves as a testament to the profound impact of our Best Buddies Living program and showcases the power of friendship, independence, and a supportive community.

“Being a resident at Best Buddies Living: Georgetown has been an incredible experience. One of my favorite parts is having the opportunity to learn and practice independent living skills. I’ve learned how to clean my apartment, do my laundry, and handle everyday tasks with confidence. These skills may seem small to some, but they have given me the independence I’ve always wanted. With every step, I feel a sense of pride and accomplishment, knowing that I am capable of taking care of myself.

Best Buddies Living is more than just a place to live. It’s a community filled with wonderful people who have become my family. I enjoy attending group events and dinners, where I get to meet and connect with others who understand me on a deeper level. We love activities like watching *The Bachelor*, working out together, and having movie nights. These experiences have created bonds that will last forever. The support and friendships I’ve found within this community have brought me lots of joy and happiness.

In addition to personal growth and connections, Best Buddies has also helped me in my professional journey. I work as an office specialist at Holland & Knight law firm, and it has been an incredible experience. It gives me a sense of purpose and an opportunity to make a difference in my own unique way.

Every day, I wake up knowing that I have a community of friends who support me, celebrate my successes, and stand by me during challenging times. Best Buddies has become a second family—a place where I am accepted, understood, and loved for who I am.

Being a part of Best Buddies Living has taught me that it is possible to live on your own and discover a whole new world of possibilities. You will find a sense of belonging in a community that celebrates you.”

Guests at the 2022 Best Buddies Prom in Tennessee
The Best Buddies Friendship Walk continued to grow and expand, raising awareness and funds to support individuals with intellectual and developmental disabilities (IDD). The Best Buddies Friendship Walks are fundamental in supporting local Best Buddies programs dedicated to ending the social, physical, and economic isolation of the 200 million people worldwide with IDD.

In 2022, over 32,000 participants in more than 61 cities walked to move Best Buddies’ mission forward. Collectively, over $5 million was raised as participants, sponsors, volunteers, and public figures joined the movement that celebrates friendship, inclusion, and unity. Over the years, Best Buddies Friendship Walks have profoundly impacted communities nationwide, providing a platform for participants to showcase the Best Buddies mission. Each walk provides an atmosphere for new friendships, promising opportunities, and, most of all, inclusion for all people.

Best Buddies Champion of the Year

Best Buddies Champion of the Year is a competitive fundraising campaign that unites and recognizes leaders of inclusion in local communities across the country. Champion candidates commit to raising funds and awareness for their local Best Buddies programs. At the end of the campaign, a Champion of the Year celebration takes place to honor the nominees and name the ultimate Champion of the Year: the person who raised the most funds in the designated region.

Champion of the Year continues to see rapid growth and 2022 was a record-breaking year. In total, 48 events were held nationwide, over 365 Champion candidates were recruited, and $7.7 million was raised for Best Buddies, surpassing the fundraising goal by $1.2 million. The 2022 national Champion of the Year, Asher Ward, raised over $123,000 for Best Buddies in Oklahoma. Asher is the first national Champion of the Year with an intellectual or developmental disability.

Champion of the Year events not only raise critical funds for Best Buddies but also create opportunities for community leaders to become advocates for the mission of inclusion.
Best Buddies Leadership Conference

The 2022 Best Buddies Leadership Conference (BBLC) was hosted locally by each Best Buddies state office as an in-person experience this summer and brought together leaders in their communities to learn about the Best Buddies movement. For the first time since 2019, student leaders, volunteers and staff were reunited in-person to participate in leadership development training and create connections with their peers. Conference events were hosted throughout July and included 46 unique training experiences, including two virtual global forums, with over 2,250 Best Buddies leaders participating.

Attendees participated in a robust educational experience that included keynote presentations, interactive sessions, and peer-to-peer connections. Several Best Buddies offices provided team building activities as part of BBLC. Best Buddies in Wisconsin hosted a scavenger hunt at the Milwaukee County Zoo, Best Buddies in Florida held an overnight experience in Fort Lauderdale at the Museum of Discovery and Science, and Best Buddies in Maryland created a camp-themed event at a local outdoor center. The incredible connections made at BBLC highlighted the commitment of Best Buddies leaders around the world during a critical time in the organization’s history as it reemerged from pandemic programming.

The BBLC I See You Awards Celebration was hosted on Facebook on July 13 to celebrate the outstanding leaders, chapters and volunteers who make Best Buddies a global movement. During the virtual awards ceremony, the following schools and individuals were recognized:

2021-2022 Outstanding Chapters of the Year:
- Elementary School Chapter of the Year: Bixby West Elementary School, Oklahoma
- Middle School Chapter of the Year: Kahler Middle School, Indiana
- High School Chapter of the Year: Lehigh Senior High School, Florida
- College Chapter of the Year: University of South Carolina-Beaufort, South Carolina

Jobs Employee of the Year: Zach Smith, NFL Network

Outstanding International Country: Best Buddies in Mexico

Spirit of Courage: Margo Meley, Connecticut

Best Buddies looks forward to the return to the Indiana University campus and an in-person conference experience in 2023!
EKS Day

Created in 2010, Eunice Kennedy Shriver (EKS) Day serves as a unique opportunity to celebrate her legacy, indomitable spirit and life-long commitment to people with intellectual and developmental disabilities (IDD). Even during a time when society did not, Eunice Kennedy Shriver believed in the abilities of people with IDD and led the effort to end the physical and social isolation they endured.

EKS Day promotes a global call for individuals to commit to actions of change, inclusion, and acceptance for people with IDD. Across the United States and in 100 countries, EKS Day is celebrated with love, justice, faith, hope and courage – her five key values. Activities included sports clinics, picnics, leadership trainings and disability rights awareness efforts.

March
Best Buddies Month

What began as a one-day celebration of the Best Buddies mission evolved into a month-long festivity to reflect on the importance of inclusion and acceptance for people with intellectual and developmental disabilities every March. In 2022, the celebration began with the annual Spread the Word: Inclusion campaign that encouraged participants to showcase how they promote inclusion in their communities. Throughout the month, participants hosted virtual chapter parties, awareness activities, and engagement campaigns to honor their unity in advancing opportunities for friendship, employment, leadership development, and inclusive living.

2022 was an amazing year for Best Buddies in California (BBCA). Our volunteers, stakeholders and staff worked enthusiastically to strengthen and grow our programs. These efforts culminated in, among other achievements, the launch of our Jobs program in San Diego and the addition of a new Friendship Walk in Sacramento. We were thrilled to exceed programmatic and fundraising goals this year and continue the inclusive programming across our seven California offices.

Our Friendship program flourished. School chapters were back to meeting in person during lunches and after school. We added 18 new school chapters, and we worked to provide support to the 141 already-established schools. By the end of 2022, 159 school chapters had active Best Buddies programs, and the adult matching program – Citizens – grew to 77 matches.

Our Jobs program grew. BBCA served 247 people statewide and helped secure new employment opportunities for 75 individuals. Jobs placements in retail and food and beverage grew, constituting over half of employed Best Buddies participants. One of the year’s biggest successes was the launch of a Jobs program in San Diego in November. BBCA is proud to have the most new and total job placements of any state nationwide during 2022.

Our Leadership pillar thrived. Forty-seven Ambassadors were trained through 28 online training courses. Additionally, nine Ambassadors were promoted to State Ambassadors. After two years of meeting virtually, the Best Buddies Leadership Conference was held regionally in each market for the first time. These day-long sessions brought together students, job participants and Ambassadors for valuable training on our programs.

We held in-person Best Buddies Friendship Walks in Los Angeles, San Francisco, Sacramento and San Diego. These events raised nearly $365,000. In the fall, we honored 35 Champion of the Year candidates in San Francisco, Los Angeles and San Diego. These three Best Buddies Champion of the Year Galas resulted in fundraising over $385,000.

We look forward to moving our mission forward in 2023 by maintaining and growing the quality, quantity and accessibility of all programs, securing diverse funds and building a sustainable donor and volunteer network.
Ryan & Timothy
One-To-One Friendships
Tesoro High School, Las Flores, CA

Ryan was introduced to Best Buddies as a freshman in high school. Throughout high school, he developed a deep appreciation for the Best Buddies mission and what it can do for individuals with and without intellectual and developmental disabilities (IDD).

“I could not have known how much I would learn from students with IDD,” Ryan said. “They have made me more outgoing, and I now not only look after myself but after the new friendships I have made as well.”

One of the most significant factors in Ryan’s transformation was his buddy, Timothy. Two years ago, Ryan was matched in a one-to-one friendship with Timothy. They instantly hit it off and became significant parts of each other’s lives.

“I love Timothy’s energy,” Ryan said. “He is the kindest soul I’ve ever met and shows love towards everyone he meets.”

Their genuine connection has not gone unnoticed.

“In all my years of doing this, I have never seen a friendship like Ryan and Timothy’s,” their chapter advisor said. “Ryan will come to my room every day to hang out with Timothy for lunch, and he consistently makes an effort in their friendship.”

Ryan and Timothy’s meaningful friendship has inspired a culture of inclusion at their school. Ryan is now the chapter president of Tesoro Best Buddies and has had an active role in growing their presence on campus. We are so grateful to Ryan and Timothy for showcasing that so much can be learned from individuals of all abilities when we have integrated classrooms, peer groups and communities.

In all my years of doing this, I have never seen a friendship like Ryan and Timothy’s.” - Chapter Advisor
Sammy
Integrated Employment
Disneyland, Orange, CA

Sammy joined the Best Buddies Jobs program with a clear professional path in mind: he had a dream of becoming a chef. He was halfway through his culinary courses when he came to Best Buddies looking for a way to build his employment experience before he graduated high school.

After working with Best Buddies to determine which career opportunities would be a good fit, he applied for a food service job at Disneyland. The Disneyland application is no easy feat, but Sammy was thrilled when he received a job offer to serve as a busser for the Bengal Barbecue restaurant in December 2021.

Throughout 2022, Sammy made huge strides toward advancing into a kitchen role. He has mastered his responsibilities and worked his way to full-time hours with benefits. He contributes monthly towards his 401k, another supplementary goal for him. Sammy’s team supports his long-term goals and continues cross-training him in food prep to work in the kitchen. Sammy utilizes his culinary background to take his supervisors’ feedback and perfect his craft before officially applying to the food prep position.

“He has mastered his responsibilities and worked his way to full-time hours with benefits. He contributes monthly towards his 401k, another supplementary goal for him.”

Leadership Development
Ambassador, San Francisco, CA

“I joined Best Buddies in 2018. I was first introduced to this organization through the Jobs program. Before Best Buddies, I worked in a thrift store, and the loud and messy environment made me very anxious. I had to leave the job and was later diagnosed with autism. It made me feel hopeless. Best Buddies has since helped me with many aspects of my life.

Best Buddies is important because it helped me land my dream job at a bank. They have helped by preparing me for interviews, developing my professional skills and coming with me to the job interview. Best Buddies helped me get a job in an office environment. I now feel more capable of accomplishing my goals.

I received the Employee of the Year award from Best Buddies a few years ago, which made me feel so proud. Best Buddies helped me develop work-related skills. They helped me memorize the conference rooms, deliver packages and become more confident. After I started my new job, I moved into my own apartment with my husband. Having my own home made me feel more independent.

Overall, Best Buddies was able to help me during a hard time in my life and helped me become an independent person. Even if you are in a dark time, there are people who can help you the way Best Buddies has helped me.”
