Dear Best Buddies family,

In the face of significant challenges worldwide throughout 2022, Best Buddies events and programmatic activities returned stronger than ever nationwide and globally. As the year concluded, we became even more certain of the critical and transformative role that Best Buddies programs play in fostering connections and building a more inclusive world for individuals with intellectual and developmental disabilities (IDD).

Reflecting on the past year, I am incredibly proud of what we have accomplished together through the power of one-to-one friendships, meaningful jobs, leadership training, and inclusive living opportunities. With your unwavering support, Best Buddies reached thousands of participants with IDD, equipping them with the resources to feel included, confident, and optimistic about the future.

As we contemplate the global reach of Best Buddies’ mission and the lives impacted, I extend my deep gratitude to each of you who has supported this organization, making our mission a reality. Thank you for contributing to a better world for individuals with IDD.

Your continued support will be vital as we strive to propel our mission forward, recognizing that there is still much work to be done. Together, we will rise to the occasion to change lives through the transformative power of inclusion.

In Friendship,

Anthony K. Shriver
Founder, Chairman & CEO, Best Buddies International
Society has made undeniable progress in improving the lives of individuals with intellectual and developmental disabilities (IDD). Yet, we still have a long way to go. Many people with IDD remain unemployed and do not experience the simple joys of genuine friendships and a significant portion of the IDD community still faces access barriers, pervasive social isolation and discrimination.

This is where Best Buddies International plays a vital role as a model of inclusion and catalyst for change. Best Buddies is the world’s largest organization committed to ending the social, physical and economic isolation that 200 million individuals with IDD often experience. For those within the IDD community, Best Buddies represents a pathway to forging lifelong friendships, securing gainful employment, achieving independent living and gaining the skills and confidence to advocate for themselves.

An estimated 81%* of adults (18+) with IDD do not have a paid job in the community. This is where the Best Buddies’ Jobs program steps in. The Best Buddies’ Jobs program helps participants with IDD prepare for and secure supportive employment. This is a mutually beneficial venture for job candidates with IDD, businesses offering employment and society as a whole: not only do participants have the potential to garner substantial benefits and earn a cumulative income exceeding $900,000 over a 30-year period, but these individuals can also contribute up to $153,000 in tax revenue and diminish the need for nearly $895,000 in federal SSI and Medicaid benefits during the same span.

This is just one of the countless ways Best Buddies improves the lives of individuals with IDD while simultaneously improving whole-of-society outcomes. Through the cultivation of meaningful one-on-one friendships, the pursuit of integrated employment, the provision of inclusive living arrangements and the nurturing of leadership skills, Best Buddies is fostering a world that is full of opportunity for individuals with IDD.

Together, we can build a world where everyone belongs.
Carey Larkin is a passionate advocate for individuals with intellectual and developmental disabilities (IDD), like her son, Asher. She became involved in Best Buddies after attending a Best Buddies event in California and returned to Tulsa, Oklahoma, determined to bring Best Buddies to her home state.

And she did just that.

In 2022, Asher was named the national Best Buddies Champion of the Year, raising over $123,000 through his campaign with his mission partner and stepsister, Alyssa Larkin.

“When I chose the name Asher, I did so because the name means ‘happy and blessed,’” Carey said. “It brings me so much joy to say that it perfectly describes Asher in who he is. In all my worries with his diagnosis, I have learned that Asher is the most well-adjusted, independent person. He can do anything he sets his mind to. To see Asher thriving as an advocate for individuals with intellectual and developmental disabilities and knowing him the way that I do, I would not expect anything less.”

“The greatest gift people with IDD possess is their incredible ability to teach us a better way to see the world...Supporting Best Buddies is a rewarding experience, no matter your role with the organization.” - Carey Larkin

“Best Buddies is all about friendship and helping people; I want to be a part of that. Everyone deserves to feel included and have friends. Being a Champion is an awesome opportunity to spread the word about Best Buddies. The more people know about Best Buddies, the better our world will be!” – Asher Ward

Best Buddies has been an integral part of my life for many years. I have done it since high school and it has given me friends and many opportunities to grow that I wouldn’t have gotten anywhere else. Catherine and I have actually been friends since the 5th grade but Best Buddies gave us something that we could still do together when our schedules started to change in high school. Catherine is my best friend and I hope we stay friends forever. My life is better with her in it.” - Allison

We are BEST BUDDIES®

Best Buddies International is the world’s largest organization dedicated to ending the social, physical and economic isolation of the 200 million people with intellectual and developmental disabilities (IDD). Our programs empower the special abilities of people with IDD by helping them form meaningful friendships with their peers, secure successful jobs, live independently, improve public speaking, self-advocacy and communication skills, and feel valued by society.

Mission

Best Buddies International is a nonprofit 501(c)(3) organization dedicated to establishing a global volunteer movement that creates opportunities for one-to-one friendships, integrated employment, leadership development and inclusive living for people with intellectual and developmental disabilities.

Vision

To put Best Buddies out of business. Best Buddies envisions a world where people with IDD are so successfully integrated into schools, workplaces and communities that its current efforts and services will be unnecessary. Until that vision becomes a reality, the organization will continue to educate middle school, high school and college students, community members, corporations and employers about the emotional, functional, and natural needs and abilities of people with IDD.

Who We Serve

The IDD community that Best Buddies serves includes, but is not limited to, people with Down syndrome, autism, fragile X syndrome, Williams syndrome, cerebral palsy, traumatic brain injury and other undiagnosed disabilities.

Programs

Best Buddies programs sit on the four key mission pillars below: One-to-One Friendships, Integrated Employment, Leadership Development and Inclusive Living.
One-To-One Friendships
Builds friendships between people with and without IDD, offering social mentoring while improving the quality of life and level of inclusion for a population that is often isolated and excluded.

**BEST BUDDIES,** Middle Schools, High Schools, Colleges, and Citizens
Creates an inclusive community for students and adults with IDD, helping them become socially integrated with their peers at every age.

**e-BUDDIES,**
Provides opportunities for participants with and without IDD to develop one-to-one friendships online and create connections using the power of technology.

Integrated Employment
Secures jobs for people with IDD, allowing them to earn an income, pay taxes, and continuously and independently support themselves.

**BEST BUDDIES,** Jobs
Matches skilled, qualified individuals with IDD with businesses seeking enthusiastic and dedicated employees. Through the Jobs program, Best Buddies develops partnerships with employers, assists with the hiring process and provides ongoing support to the employee and employer.

Leadership Development
Educates and empowers people with and without IDD to become leaders, public speakers and advocates.

**BEST BUDDIES,** Ambassadors
Offers people with and without IDD the opportunity to gain the public speaking skills, self-esteem and confidence needed to successfully advocate for themselves, their peers and Best Buddies in communities and workplaces.

**BEST BUDDIES,** Promoters
Empowers youth to become advocates for people with IDD and help open new Best Buddies chapters and programs by organizing special events that promote awareness to the disability rights movement.

Integrated Employment
An estimated 81% of adults (18+) with developmental disabilities do not have a paid job in the community. The Best Buddies Jobs program strives to place participants with IDD in supported employment, with the potential to receive benefits and earn a total income upwards of $900K over 30 years. In turn, these individuals will contribute $153K in taxes back into the economy, rather than receive nearly $895K in Federal SSI and Medicaid benefits during that time period.

Inclusive Living
Provides an integrated experience in which people with and without IDD are active, contributing citizens – living independently in a dynamic environment where they can learn, grow, and thrive.

**BEST BUDDIES,** Living
Provides individuals with and without IDD an opportunity to live together in a vibrant, educational community that supports all residents in advancing their employment, financial literacy, continued education, and life skills as they work to achieve their personal goals.
Emily and Courtney, Friendship Program buddy pair

Without love, support and friends, life may feel isolating – this is a reality people with IDD have faced throughout history. Best Buddies offers people with IDD the chance to have a friend, gain self-confidence and self-esteem and share interests, experiences and activities that many other individuals enjoy.

BEST BUDDIES. Elementary, Middle, High Schools & Colleges

Best Buddies offers students with IDD the opportunity to have a friend and enjoy common interests, experiences, and social activities in the Middle School, High School, and College programs. Each friendship pair commits to speaking and spending time together every week throughout the year. These programs create lasting friendships and help facilitate an environment of inclusion throughout the school and in the community.

BEST BUDDIES. Citizens

For people with IDD, the absence of meaningful friendships extends into adulthood. Best Buddies Citizens pairs adults with IDD in one-to-one friendships with adults without IDD in corporate and civic communities. Citizen buddy pairs commit to a one-year friendship in which they will talk once a week and see each other twice a month. These relationships commonly grow into friendships that last a lifetime.

e-BUDDIES.

This program creates social inclusion and friendships for people with and without intellectual and developmental disabilities (IDD) in a virtual space. Technology is an integral part of society and by participating in e-Buddies, participants can develop the skills needed to communicate across a variety of platforms.

In 2022, e-buddies served 4,102 total participants. These participants exchanged more than 50,000 emails. e-Buddies was also used as a teaching tool in the classroom by more than 100 special education teachers and other professionals across the country.
Ryan was introduced to Best Buddies as a freshman in high school. Throughout high school, he developed a deep appreciation for the Best Buddies mission and what it can do for individuals with and without IDD.

"I could not have known how much I would learn from students with IDD," Ryan said. "They have made me more outgoing, and I now not only look after myself but after the new friendships I have made as well."

One of the most meaningful catalysts in Ryan’s transformation was his buddy, Timothy. Two years ago, Ryan was matched in a one-to-one friendship with Timothy. They instantly hit it off and became significant parts of each other’s lives.

"I love hanging out with my buddy, Ryan," said Timothy. "We go bowling and play basketball together…he is just an all-around awesome guy."

"I love Timothy’s energy," Ryan said. "He is the kindest soul I’ve ever met and shows love towards everyone he meets."

Their genuine connection has not gone unnoticed.

"In all my years of doing this, I have never seen a friendship like Ryan and Timothy’s," their chapter advisor said. "Ryan will come to my room every day to hang out with Timothy for lunch, and he consistently makes an effort in their friendship."

Ryan and Timothy’s meaningful friendship has inspired a culture of inclusion at their school. Ryan is now the chapter president and has had an active role in growing their presence on campus. Ryan and Timothy demonstrate that so much can be learned from individuals of all abilities when we have integrated classrooms, peer groups, and communities.
Best Buddies Jobs furthers the integration of people with IDD into the community through supported employment. The focus is on facilitating competitive, integrated job placements that allow participants to earn an income, pay taxes and work in an environment alongside their peers in the community, leading to full inclusion and independence. Coaching is provided in essential job interviewing skills, and once employment is secured, there is assistance with on-the-job training.

The Jobs program prides itself on developing employment opportunities in professional environments and focuses on white-collar jobs such as receptionist, mail room assistant, file clerk, office assistant, front desk assistant, and retail associate. Employers range from some of the top law firms and talent agencies to well-known retail businesses and luxury hotels.

There is 34 cities in 18 states with active Best Buddies Jobs program as of December 31, 2022.
Elaina
Integrated Employment
kubik, Odenton, MD

Elaina had long been searching for meaningful and inclusive employment in a role that would allow her to use her friendly personality and organizational skills. She landed an interview with kubik, an event management agency.

Upon entering the interview, it became immediately apparent that this would be an excellent place for her to work: kubik was passionate about Best Buddies’ mission and was excited to hire inclusively.

Elaina aced the interview and was hired as a receptionist in May 2022. She began working part-time and instantly identified her first goal: full-time employment.

Within a month, Elaina achieved that goal.

Elaina’s new full-time salary is over $66,000 per year, and she has also earned vacation and retirement benefits.

Elaina’s coworkers have been wowed by her work ethic and seamless fit into the company culture. Elaina welcomes everyone into the office, assists with paperwork for many staff, orders office supplies, monitors shipping, and creates and files documents.

Elaina now has a new goal: to transform this opportunity from a job into a career.

“The office is a very comfortable environment,” Elaina said, “Plus, the office is dog-friendly, and I love dogs.”

Elaina continually seeks to improve her skills, a goal that kubik is helping her achieve by slowly expanding her responsibilities.

The culture that kubik has created for individuals with IDD, in no small part due to Elaina’s success, has created the exact workplace culture that the Jobs program is built to develop. This change in workplace culture, spearheaded by employing Elaina, has brought about kubik’s desire to employ more individuals with an IDD.

Best Buddies educates and empowers people with and without IDD to become leaders, public speakers and change agents. Through the Ambassadors and Promoters programs, participants inspire their communities to build a more inclusive world for people with IDD.

**BESTBUDDIES, Ambassadors**

Best Buddies Ambassadors is a program that provides training for participants with and without IDD in speech writing, public speaking, and self-advocacy. Ambassadors develop the skills to share their life stories, promote Best Buddies programs, network, and, most importantly, advocate.

Ambassadors participate in trainings focused on the art of public speaking and advocacy. Once trained, they share their stories and become more involved and empowered as citizens. Ambassadors are encouraged to speak about opportunities for people with IDD, present at recruitment fairs and Best Buddies events, and develop partnerships in the community.

**BESTBUDDIES, Promoters**

Best Buddies Promoters empowers youth to become advocates for people with IDD by organizing and attending special events that promote inclusion. Students attending a school without a special education program can join a Promoters chapter to develop connections with people with IDD or can start one by contacting their local Best Buddies state office.

Each Promoters chapter is led by a chapter president from the student body and a faculty advisor and is assigned a Best Buddies staff person who offers regular support and guidance. Once formed, Promoters chapters host events, activities, and fundraisers where they advocate for people with IDD, and promote the Best Buddies mission.
"Hello everyone! My name is Hunter Huff, and I’ve been a proud member of Best Buddies for nine years. My life before joining this organization was very challenging. It was hard for me to make friends. I had issues socially connecting, and I only interacted with people at lunch, school events, birthday parties, and other social gatherings. One big reason I didn’t have a lot of friends is that not everyone understood who I was and that I was just a normal human being who just happened to be on the Autism spectrum.

During my sophomore year in high school, I attended a match party for Best Buddies, and I met my best buddy, Stefany. I also got to meet so many new people in that chapter as well. That same year, I danced all night at my first-ever Friendship Ball and enjoyed participating in the Friendship Walk. My buddy and I were able to develop a true friendship.

Since joining this organization, my life has changed immensely. I attend the Champion of the Year Gala, activities in the Citizens program, and volunteer for Best Buddies events such as the Best Buddies Friendship Ball. I also serve on the Best Buddies Friendship Walk Committee, speak at events and other presentations, and today, I am an official Best Buddies Global Ambassador. I enjoy helping others learn about our incredible mission and working to ensure that people like me are included in the community. It has opened so many doors for me and allowed me to have a social life.

Best Buddies creates opportunities for people with intellectual and developmental disabilities to live out their dreams and goals. Most of all, it changes attitudes by making sure people see me for my abilities and understand the importance of inclusion.

No doubt, Best Buddies has made an impact on my life. It has empowered me to be a better friend and has encouraged me to inspire others like me to be part of this global movement. Never be afraid to make a name for yourself, to stand up for what is right, to be a light, to use your voice, achieve your goals through hard work and positivity, and most importantly, know that you are loved, valued, and accepted.

Thank you for supporting Best Buddies. You have made an impact on my life! I can’t wait to see how many other people will be able to experience the power of friendship because of your efforts today. My name is Hunter Huff, and on behalf of our entire Best Buddies family, THANK YOU. Go Best Buddies!"

- Hunter, Best Buddies Ambassador
Supporting and empowering individuals with IDD to live as integrated, contributing members in the larger community is the next frontier in the movement to create a more inclusive society. Best Buddies Living fosters a dynamic environment where people with IDD can learn, grow and thrive.

**BESTBUDDIES, Living**

The Best Buddies Living program encourages people with and without IDD to live together in a vibrant community that focuses on supporting residents in accomplishing their life goals and dreams.

The Best Buddies Living program supports inclusion by:

- Developing programs that foster an opportunity for residents to experience living with friends and colleagues. Programs include weekly shared meals, fitness classes, cultural events, holiday parties, social activities, and sports.
- Offering an environment that encourages the development of independent living skills, life-changing relationships, and educational pursuits in connection with a college or university. Through an affiliation with a nearby school, all residents can immerse themselves in campus life, attending sporting events and enjoying fitness and dining facilities alongside their student peers.
- Matching people with and without IDD in a residential experience, and providing a supportive environment that encourages full-time or part-time employment.

As of December 31, 2022, Best Buddies operated four Living residences; two in Washington, D.C. (Georgetown and Union Market), one in Miami, FL and one in Los Angeles, CA.
AnnCatherine
Best Buddies Living Resident
Georgetown, Washington D.C.

Anne Catherine, also known as AC by her friends, joined the Best Buddies Living program in Georgetown in September 2022—a decision that would shape her future in ways she never imagined.

AC’s story serves as a testament to the profound impact of our Best Buddies Living program and showcases the power of friendship, independence, and a supportive community.

“Being a resident at Best Buddies Living: Georgetown has been an incredible experience. One of my favorite parts is having the opportunity to learn and practice independent living skills. I’ve learned how to clean my apartment, do my laundry, and handle everyday tasks with confidence. These skills may seem small to some, but they have given me the independence I’ve always wanted. With every step, I feel a sense of pride and accomplishment, knowing that I am capable of taking care of myself.

Best Buddies Living is more than just a place to live. It’s a community filled with wonderful people who have become my family. I enjoy attending group events and dinners, where I get to meet and connect with others who understand me on a deeper level. We love activities like watching The Bachelor, working out together, and having movie nights. These experiences have created bonds that will last forever. The support and friendships I’ve found within this community have brought me lots of joy and happiness.

In addition to personal growth and connections, Best Buddies has also helped me in my professional journey. I work as an office specialist at Holland & Knight law firm, and it has been an incredible experience. It gives me a sense of purpose and an opportunity to make a difference in my own unique way.

Every day, I wake up knowing that I have a community of friends who support me, celebrate my successes, and stand by me during challenging times. Best Buddies has become a second family—a place where I am accepted, understood, and loved for who I am.

Being a part of Best Buddies Living has taught me that it is possible to live on your own and discover a whole new world of possibilities. You will find a sense of belonging in a community that celebrates you.”

- AnnCatherine, Best Buddies Living resident

The camps used Tour de France wisdom to craft a healthy training program applicable to the mature or the amateur athlete.

Best Buddies' Celebrating Mothers

The celebration also featured sumptuous cocktails, food, live performances, a special award ceremony honoring the Mother of the Year, Madeline Borkin and fun activities for the entire family. Rima Fakih, Former Miss USA/Best Buddies Talent Relations Board Member & Volunteer since 2010, presented a special award to an outstanding Best Buddies Ambassador, dancer and actor Joshua Felder.

Best Buddies Balls & Proms

Best Buddies Balls/Proms are an exciting way for Best Buddies' state offices and chapters to celebrate friendship. Best Buddies participants are the stars of the show, and local program leaders help create a night that attendees will never forget.
Best Buddies Friendship Walk

The Best Buddies Friendship Walk continued to grow and expand, raising awareness and funds to support individuals with intellectual and developmental disabilities (IDD). The Best Buddies Friendship Walks are fundamental in supporting local Best Buddies programs dedicated to ending the social, physical, and economic isolation of the 200 million people worldwide with IDD.

In 2022, over 32,000 participants in more than 61 cities walked to move Best Buddies’ mission forward. Collectively, over $5 million was raised as participants, sponsors, volunteers, and public figures joined the movement that celebrates friendship, inclusion, and unity. Over the years, Best Buddies Friendship Walks have profoundly impacted communities nationwide, providing a platform for participants to showcase the Best Buddies mission. Each walk provides an atmosphere for new friendships, promising opportunities, and, most of all, inclusion for all people.

Best Buddies Champion of the Year

Best Buddies Champion of the Year is a competitive fundraising campaign that unites and recognizes leaders of inclusion in local communities across the country. Champion candidates commit to raising funds and awareness for their local Best Buddies programs. At the end of the campaign, a Champion of the Year celebration takes place to honor the nominees and name the ultimate Champion of the Year: the person who raised the most funds in the designated region.

Champion of the Year continues to see rapid growth and 2022 was a record-breaking year. In total, 48 events were held nationwide, over 365 Champion candidates were recruited, and $7.7 million was raised for Best Buddies, surpassing the fundraising goal by $1.2 million. The 2022 national Champion of the Year, Asher Ward, raised over $123,000 for Best Buddies in Oklahoma. Asher is the first national Champion of the Year with an intellectual or developmental disability.

Champion of the Year events not only raise critical funds for Best Buddies but also create opportunities for community leaders to become advocates for the mission of inclusion.
The 2022 Best Buddies Leadership Conference (BBLC) was hosted locally by each Best Buddies state office as an in-person experience this summer and brought together leaders in their communities to learn about the Best Buddies movement. For the first time since 2019, student leaders, volunteers and staff were reunited in-person to participate in leadership development training and create connections with their peers. Conference events were hosted throughout July and included 46 unique training experiences, including two virtual global forums, with over 2,250 Best Buddies leaders participating.

Attendees participated in a robust educational experience that included keynote presentations, interactive sessions, and peer-to-peer connections. Several Best Buddies offices provided team building activities as part of BBLC. Best Buddies in Wisconsin hosted a scavenger hunt at the Milwaukee County Zoo, Best Buddies in Florida held an overnight experience in Fort Lauderdale at the Museum of Discovery and Science, and Best Buddies in Maryland created a camp-themed event at a local outdoor center. The incredible connections made at BBLC highlighted the commitment of Best Buddies leaders around the world during a critical time in the organization’s history as it reemerged from pandemic programming.

The BBLC I See You Awards Celebration was hosted on Facebook on July 13 to celebrate the outstanding leaders, chapters and volunteers who make Best Buddies a global movement. During the virtual awards ceremony, the following schools and individuals were recognized:

**2021-2022 Outstanding Chapters of the Year:**
- Elementary School Chapter of the Year: Bixby West Elementary School, Oklahoma
- Middle School Chapter of the Year: Kahler Middle School, Indiana
- High School Chapter of the Year: Lehigh Senior High School, Florida
- College Chapter of the Year: University of South Carolina-Beaufort, South Carolina

**Jobs Employee of the Year:** Zach Smith, NFL Network

**Outstanding International Country:** Best Buddies in Mexico

**Spirit of Courage:** Margo Meley, Connecticut

Best Buddies looks forward to the return to the Indiana University campus and an in-person conference experience in 2023!
EKS Day

Created in 2010, Eunice Kennedy Shriver (EKS) Day serves as a unique opportunity to celebrate her legacy, indomitable spirit and life-long commitment to people with intellectual and developmental disabilities (IDD). Even during a time when society did not, Eunice Kennedy Shriver believed in the abilities of people with IDD and led the effort to end the physical and social isolation they endured.

EKS Day promotes a global call for individuals to commit to actions of change, inclusion, and acceptance for people with IDD. Across the United States and in 100 countries, EKS Day is celebrated with love, justice, faith, hope and courage – her five key values. Activities included sports clinics, picnics, leadership trainings and disability rights awareness efforts.

March
Best Buddies Month

What began as a one-day celebration of the Best Buddies mission evolved into a month-long festivity to reflect on the importance of inclusion and acceptance for people with intellectual and developmental disabilities every March. In 2022, the celebration began with the annual Spread the Word: Inclusion campaign that encouraged participants to showcase how they promote inclusion in their communities. Throughout the month, participants hosted virtual chapter parties, awareness activities, and engagement campaigns to honor their unity in advancing opportunities for friendship, employment, leadership development, and inclusive living.

2022 was a year of opportunity and excitement for Best Buddies in Indiana (BBIN). Best Buddies programs and events were in-person for the first time since the pandemic, allowing for even stronger connections and community building. More than 5,000 participants were involved in Best Buddies programs in Indiana.

The Friendship program expanded into 15 new schools across the state, bringing BBIN to 105 school chapters. In addition, we have 198 trained student leaders, and 32 participants with IDD are Best Buddies Ambassadors. Best Buddies Jobs also continued to expand, helping 12 adult participants find meaningful employment in the community. The Jobs program served a total of participants 35 participants, with 27 of those employed.

In the spring, we hosted the Best Buddies Friendship Walk in both Indianapolis and Lake County, and the events totaled more than 1,650 walkers. These Best Buddies Friendship Walks brought in $183,490 to support our statewide programs. Best Buddies participants, community members, families, and volunteers walked for Best Buddies, advocating for inclusion and friendship in our schools, workplaces, and communities.

In the fall, we recruited eight Champions from the community that raised funds and awareness for our mission and programs. RJ Zeph, the 2023 Best Buddies Champion of the Year Gala in Indiana, was recognized at our Best Buddies Champion of the Year Gala in November in Indianapolis. The gala had over 300 guests and raised $227,064.

As we head into the new year, BBIN remains committed to expanding our Friendship, Leadership Development, and Jobs programs throughout the state, serving even more youth and adults with and without IDD. We will continue working alongside our volunteers, participants, employers, donors, corporate partners, and supporters who make our mission a reality. Together, we can continue to make an impact across Indiana and move our mission of inclusion forward.
Jordyn & Jake
One-To-One Friendships
Westfield High School, Westfield, IN

Jordyn's adventure with Best Buddies began during middle school. At the time, she felt like she didn’t quite belong, yearning for a place where she could truly be herself. Then, she discovered Best Buddies.

“I did not have many friends before Best Buddies,” Jordyn recalled. “From the day I joined, I have been hooked on Best Buddies and making sure that everyone I meet gets the opportunity to participate in this amazing organization and community of friends.”

Jake’s journey with Best Buddies started during his freshman year of high school. Intrigued by the promise of fun and the chance to make new friends, he joined with excitement and was paired with Jordyn. Connecting with others became his favorite part of being a part of this vibrant community.

Jordyn and Jake have shared memorable adventures, like hiking for Jake’s 18th birthday, indulging in ice cream at Culver’s, and admiring the twinkling holiday lights during winter break.

“Jake is like the brother I never had,” Jordyn said. “I include Jake in everything I do; he is my best friend, and I hope everyone gets to have a friend like him in their life.”

The extraordinary friendship of Jordyn and Jake is a testament to the magic of Best Buddies – a place where lifelong bonds are formed and the true spirit of friendship thrives. Their story inspires us all to embrace the uniqueness of others and to cherish the remarkable connections that make life a beautiful journey.

“It takes a special someone to make you feel included, and Jake is that extra special person for me.”

Integrated Employment
Walmart, Indianapolis, IN

Sean was referred to the Best Buddies Jobs program while working in a previous job, where his supervisor was very supportive, but his co-workers did not see his potential or respect him.

“My life was pretty much going nowhere before I joined Best Buddies,” Sean recalled. “Once my mom passed away, going to school, and wanting to play sports was not something I enjoyed anymore. Since joining the Jobs program, I am beginning to feel a sense of usefulness after finding a new job.”

Recognizing Sean’s dissatisfaction, Best Buddies Jobs embarked on a mission to reshape his career trajectory by helping him gain meaningful employment in a position that he would enjoy and something that would keep him moving. Sean expressed interest in working at Walmart, and with the help of the Jobs program, Sean gained meaningful employment.

“Sean is a hard worker who always has a smile to share,” Sabrina, his supervisor at Walmart, said.

Sean thrives in his role at Walmart, fueled by the thrill of earning more, connecting with people, and contributing to society. He has embraced a newfound purpose, eagerly welcoming each morning as he engages with customers and assists them with their shopping needs.

“Helping customers is my favorite part,” Sean said. “I even loaded mulch into someone’s car recently, which I really liked.”

His work week now spans five days, bringing him financial independence and personal fulfillment. Sean’s passion for superheroes led him to purchase an old Superman magazine, a tribute to his late mother’s adoration for the iconic figure.

Leadership Development
Ambassador, Indianapolis, IN

“I did not have much of a life before joining Best Buddies,” Katie said.

Now, not only is Katie a Best Buddies State Ambassador, but she is also matched in the Best Buddies Citizens program in Indianapolis.

“A friend told me that Best Buddies has a group for older adults called Citizens, and I decided to give it a try,” Katie recalled. “My buddy, Amy, and I are finding a lot of common ground. We enjoy getting together to talk and visit. Friendship to me means you always have someone to go to when something is wrong.”

Since joining Best Buddies in 2017, Katie has broken out of her shell, becoming an active member of the Best Buddies community.

“Ambassadors inform people about Best Buddies and how they will start friendships and meet new people,” Katie mentioned when asked why the Best Buddies Leadership program is important. “It also helps people feel more comfortable around others with or without disabilities.”

“I hope this will help you get energized to build more friendships,” Katie said. “You have got a friend in me.”

Quote: “With all that is going on in the world today, it means a lot to me to have a Best Buddy and to be a voice for the disability community.”
